Madam;

I beg to inform you that a Homestead Inspector's report has recently been received in connection with your deceased husband's homestead the N.E. ¼ of Section 30, Township 10, Range 1, West of the 4th Meridian, from which it would appear that the appointee is now complying with the required duties as to residence, but nothing has been done in the way of complying with the cultivation duties. Cancellation proceedings are now pending and will be held over until the 1st of June next by which date you must satisfy the local Agent that you have then completed at least fifteen acres of breaking, and that the required duties are being otherwise properly performed.

I am to point out that any residence your late husband or yourself have performed on your brother-in-laws homestead cannot be counted to your advantage.

The above mentioned parties obtained Dominion and Joint Relief Advances, particulars of which are set out hereunder and for which liens have been registered against the titles.

An offer has been received from a solicitor acting on behalf of the present registered owners, Mr. Christian Selmell and Mrs. Margaret Selmell, for a compromise settlement of these accounts, and the amount tendered in full payment of both accounts is Five Hundred and Thirty Nine dollars and Thirty-Three cents ($539.33). The amount tendered is equal to the amounts of principal of each account, and approximately one-third of the interest charges levied.

Mr. Selmell is 77 years of age, and his wife is 72 years of age, and they both receive Old Age Assistance Pensions. Due to the condition of Mr. Selmell's health, he had to quit farming the year 1944 and arranged for a sale of their lands on a crop share payment basis. The agreement is still in effect, and the purchaser will be entitled to receive clear titles. With the added burden of considerable medical expenses incurred during the last 11 years, their financial circumstances are not of the best, and taking these into consideration, the offer made would appear to be a fair one.

It is my opinion that the offer of Five Hundred and Thirty-Nine dollars and Thirty-Three cents ($539.33) should be accepted and I would recommend that application to the accounts be made as follows:

	Principal	Interest	Amount
Dominion Advances	305.78	132.32	$ 338.10
Joint Relief Advances	138.55	72.68	[illegible]
			$ 539.33

I would further recommend that upon application of the above stated amounts, the accounts be adjusted so that they will stand paid in full and that action be taken to discharge all relative liens from the titles affected.

Provincial Seed Grain issued to Christian Selmell in the amount of One Hundred and Forty-Two dollars and Eighty-Seven cents ($142.87), principal, together with accrued interest has already been cancelled.

Yours very truly,

Mr.Taft wishes us to state that at the present time he cannot possibly get to thelake to water his stock,of which he has quite a number,without passing over this piece of land. This piece of land our client informs us has a lot of bush and the soil is light and fit only for pasture. Our client further informs us that the Frederick Cousins a neighbor purchased a piece of land from the Department,and he would like to havethe same privelege to purchase the fractional South West corner above described.

Kindly communicate with us at what figure the Department holds the land,and the termsof sale.

Your letter is of course no assurance that the [illegible] will be [illegible].

Copy to L. Walford, Esq.,

Hull, England.

30th November, 1916.

Sir:-

Referring to your file 433556, relating to the SW¼ of 14-51-26, W.4th.M., I am to say that the former entrant, Herbert H. Walford, enlisted with the 23rd Battalion on the 3rd of November, 1914., his proxy entry for the quarter-section should, therefore, not have been cancelled in December, 1915, as he was on active service at the time.

In view of this and also representations made to the Department on his behalf, it has been decided to cancel the homestead entry granted to Mr. W.S. MacGregor on the 2nd of August last, and reinstate Pte. Walford in his entry for the quarter-section.

Kindly take the necessary action without delay and notify all the persons interested.

It would appear that the improvements on the land consist of a frame shack placed there by Mrs. Walford. The fact that Mr. MacGregor declared, when making the entry, that there were no improvements, gives some additional ground for cancelling his entry.

Your obedient servant,

Assistant Secretary.

Homestead
Pre-emption

I, Thos. Nathaniel Lynde
of Lethbridge Alberta,

do solemnly declare:—

That I made entry for the above mentioned land at the Dominion Lands Office at Red Deer Alberta, on the day of 1906, and I now ask to have said entry cancelled, and be permitted to take up another homestead for the following reasons, namely:

That I have not received any Crown Patent for any land under the Dominion Lands Act, nor have I any application pending for such patent, nor have I been permitted nor do I expect to receive any consideration in money, land scrip or land warrants for the relinquishment hereby made.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act, 1893.

I beg to inform you that Mr. R. B. It is represented that Mr. Masse has been deserted by her husband who has not complied the requisite duties, and it appears that his wife has endeavoured to enable her to go into residence on the land.

It does not appear there is any way in which Mrs. Masse could be granted a free patent for this quarter-section, but as it is evident there are considerable improvements, which Mr. Chadwick states were made by Mrs. Masse and her children, it has been decided to cancel the entry of the husband, and sell the quarter-section to Mrs. Masse at $1.00 per acre. Mr. Chadwick has mentioned your name in this connection, and I am to ask that you will
